Mamba Monster X ESC Cooling Fan Replacement Instructions

To Remove Fan Shroud:

1. Place the tip of a flat blade screw driver in the location shown (Figure 1).
2. Slightly rotate the screw driver as indicated (Figure 2). This will release the snap holding the fan shroud in place.
3. Repeat steps 1 and 2 on the other side of the fan shroud and gently lift the fan shroud off of the ESC case.

To Replace The Fan Shroud:

1. Align the tabs on the fan shroud with the corresponding slots on the top of the ESC case (Figure 3).
2. Firmly press down until the fan shroud snaps into place.
3. Be careful not to pinch the fan wire between the fan should and the case top as this may damage the fan wire.
