## NEW! FT Aluminum Turnbuckle Ball Set

*FT Aluminum Turnbuckle Ball Set mounted in the RC8B3.1.*

*#81408 FT Aluminum Turnbuckle Ball Set*

This new Factory Team Aluminum Turnbuckle Ball Set, made from durable hard-anodized 7075 aluminum, prevents rust, which minimizes corrosion and promotes smooth action of turnbuckles.

The set results in 5g weight savings over the stock steel turnbuckle balls.

For the Team Associated RC8B3.1, RC8B3.1e, RC8T3.1, and RC8T3.1e.
